

Being Productive Working at Home During Uncertainty

Online Webinar

Employee wellbeing is always key but particularly now during the Covid-19 restrictions. A focus on wellbeing can help your employees be productive.

We have a range of different wellbeing topics available which we have updated to reflect the challenges of working from home with distractions and family pressures.

Here is a list of popular topics.

- Tips to Manage Stress Working from Home during Covid-19
- Tips to Be Productive & Manage Time
- Top Tips for Email Management
- Top Tips for Meetings Management
- Be Productive by Finding Time to Think
- Be Productive by Managing Your Distractions
- The Senior Managers Role in Enabling Productivity
- How Being Productive can Increase Employee Wellness

Your webinar can be customised to include the specific areas of interest for your team.

Format

These webinars can take place remotely using your preferred collaboration tool.

The interactive format includes:

- Introductions and requirements chat
- Presentation of Productivity tips via SlideShare
- Q and A session to answer specific questions

Participants will receive a copy of the material presented plus access to Productivity articles and templates demonstrated during the session.

Duration

The session can last 30 mins, 45 mins or 60 mins depending on your requirements.

Presenter

This session will be delivered by Productivity Consultant Moira Dunne.
